Recently, the **Union Cabinet** has signed the **Letter of Intent** thus enabling India to join the **International Energy Efficiency Hub (IEEH)**.

- IEEH is a global platform dedicated to fostering collaboration and promoting **energy efficiency** worldwide.
- It brings together **governments, international organisations, and private sector** entities to share knowledge, best practices, and **innovative solutions**.
- By joining IEEH, India will gain access to a vast network of **experts and resources**, enabling it to enhance its **domestic energy efficiency initiatives**.
- **The Bureau of Energy Efficiency (BEE)** has been designated as the implementing agency for the IEEH on behalf of India.
- As of July 2024, **16 countries** including **China**, France, Germany, Japan, Korea, Russia, Saudi Arabia, United States and United Kingdom have joined the Hub.
- **IEEH** was established in **2020** as the successor to the **International Partnership for Energy Efficiency Cooperation (IPEEC)**, in which India was a member.
