

International Energy Efficiency Hub

Source: HT

Recently, the **Union Cabinet** has signed the **Letter of Intent** thus enabling India to join the **International Energy Efficiency Hub (IEEH).**

- IEEH is a global platform dedicated to fostering collaboration and promoting **energy efficiency** worldwide.
- It brings together governments, international organisations, and private sector entities to share knowledge, best practices, and innovative solutions.
- By joining IEEH, India will gain access to a vast network of experts and resources, enabling it to enhance its domestic energy efficiency initiatives.
- The <u>Bureau of Energy Efficiency (BEE)</u> has been designated as the implementing agency for the IEEH on behalf of India.
- As of July 2024, **16 countries** including **China**, France, Germany, Japan, Korea, Russia, Saudi Arabia, United States and United Kingdom have joined the Hub.
- IEEH was established in 2020 as the successor to the International Partnership for Energy Efficiency Cooperation (IPEEC), in which India was a member.
