Multi Modal Logistics Park (MMLP)

Current situation

Ideal situation

▪ **About:**

- Developed under a **'Hub & Spoke' model**, the MMLP will integrate multiple modes of freight transport through highways, railways & inland waterways.
- The **Multi Modal Logistic Park project** is poised to develop state-of-the-art large scale warehousing facilities for different types of commodities, to become a one stop solution for all services related to cargo movement like warehousing, custom clearance, parking, maintenance of trucks etc.
 - It will have all the facilities like **warehouses, railway siding, cold storage, custom clearance house, yard facility, workshops, petrol pumps, truck parking, administrative building, boarding lodging, eating joints, water treatment plant, etc.**

▪ **Focus:**

- The MMLPs will focus on a **technology driven implementation** for a state-of-the-art freight management system.
 - Many value-added services like packaging, repackaging and labelling will be available in these projects.
- **MMLP will be a freight handling facility** for mechanised material handling and value-added services along with other associated facilities.
