

NATO's DIANA Program

Source: FE

Recently, the **Defence Innovation Accelerator for the North Atlantic (DIANA)** initiative board approved a proposal to **establish an accelerator and two test centres in Finland**, with a mission to foster technology, innovation, and business development for both civil and defence purposes.

- DIANA is a **North Atlantic Treaty Organization (NATO)** established organization to **accelerate dual-use innovation capacity** across the Alliance. It provides companies with resources, networks, and guidance to develop deep technologies for critical defence and security challenges.
- All **NATO nations are members of DIANA**. The DIANA Board of Directors is responsible for governance and comprises representatives from every Allied country.
