

## **NATO's DIANA Program**

## **Source: FE**

Recently, the **Defence Innovation Accelerator for the North Atlantic (DIANA)** initiative board approved a proposal to **establish an accelerator and two test centres in Finland**, with a mission to foster technology, innovation, and business development for both civil and defence purposes.

DIANA is a <u>North Atlantic Treaty Organization (NATO)</u> established organization to accelerate dual-use innovation capacity across the Alliance. It provides companies with resources, networks, and guidance to develop deep technologies for critical defence and security challenges.

The Vision

 All NATO nations are members of DIANA. The DIANA Board of Directors is responsible for governance and comprises representatives from every Allied country.
