- **Direct Benefit Transfer (DBT):** PMJDY transferred about **USD 361 billion** directly to beneficiaries from **53 central government ministries** through **312 key schemes**.
 - During **Covid-19**, the **PMJDY accounts** were instrumental in one-time ex gratia payment of **Rs 500 per month** for three months (April, May and June 2020) under **Pradhan Mantri Garib Kalyan Yojana (PMGKY)**, benefiting 206.4 million women account holders..
- **Overdraft (OD) Accounts:** As of March 2024, a total of **1,17,701 overdraft facility** have been opened with a sanctioned amount of **Rs 190 crore** to such PMJDY account holders. The limit utilisation stands at **80.5%**.
 - It has ensured access to credit from the **formal financial system** for the poorest of the poor.
- **Low Zero Balance Accounts:** Although **zero balance accounts** are permitted under PMJDY and maintenance of minimum balance is not mandatory, **only 8.4%** accounts have zero balance.
- **Praised by the World Bank:** As per the **World Bank**, India has achieved as much in just **six years** what would have taken about **five decades**.
 - The **Jan Dhan-Aadhaar-Mobile (JAM) trinity** has propelled the **financial inclusion** rate to 80% of adults from 25% in 2008, a journey shortened by up to 47 years and made possible due to **Digital Public Infrastructure (DPI)**.

What is PMJDY?

- PMJDY is a financial inclusion program that aims to ensure access to financial services, namely, **basic savings & deposit accounts, remittance, credit, insurance, pension** in an affordable manner.
- Under the scheme, a basic savings bank deposit (BSBD) account can be opened in **any bank branch** or **Business Correspondent (Bank Mitra) outlet**, by persons not having any other account.
- **Features:**
 - **No Minimum Balance:** There is **no** requirement to maintain any **minimum balance** in PMJDY accounts.
 - **Free Debit Card: Free Rupay Debit card** is provided to PMJDY account holders.
 - **Accident Insurance:** Accident **Insurance Cover** of Rs.1 lakh (enhanced to Rs. 2 lakh to new PMJDY accounts opened since 2018) is available with RuPay card issued to the PMJDY account holders.
 - **OD Facility:** An **overdraft (OD) facility** up to Rs. 10,000 to eligible account holders is available.
 - **DBT Benefits:** PMJDY accounts are eligible for **DBT, Pradhan Mantri Jeevan Jyoti Bima Yojana (PMJJBY), Pradhan Mantri Suraksha Bima Yojana (PMSBY), Atal Pension Yojana (APY), Micro Units Development & Refinance Agency Bank (MUDRA) scheme**.
 - However, there is **no mandatory free** cheque book facility with a PMJDY account. Banks can issue cheque books on PMJDY accounts which **may/may not be priced**.

What are the Challenges Associated with PMJDY?

- **Multiple Accounts:** The lure of getting a large insurance cover, accidental death benefit cover and overdraft facility prompt people to **open multiple accounts** in different banks using **different identification documents** like Aadhaar card, PAN card etc.
- **Economic Burden on Banks:** Too many accounts with persistent low balance creates financial problems for banks in managing them.
- **Money Laundering:** **There are concerns that Jan Dhan accounts owned by the poor are used in money laundering by black money operators.**
 - Jan Dhan accounts were used to launder money after **demonetisation**.
- **Declining Overdraft facility:** Providing OD facility is the **discretion** of the concerned banks.

Many banks **decline** to extend the OD facility therefore defeating the purpose.

- **Misusing Authority:** Sometimes Business correspondents (BCs) **misuse the authority** and make the life of people below poverty line miserable.
 - BCs may **charge extra fees** for services that are supposed to be **free or have minimal costs**, such as opening bank accounts, processing transactions, or providing loans.
- **Bad Loans:** It is a possibility that the **overdraft facility** could end up as **bad loans** for banks as the scheme **does not spell out how the banks can collect debts**.
 - With many **debt waivers** in the past, **people may end up treating the loans as freebies**.
- **Financial and Technology Illiteracy:** There is a lack of awareness, knowledge and skills among rural people to make informed decisions about savings, borrowings, investments and expenditure.
 - A survey conducted by financial services giant Visa revealed that **65% of Indians lack financial literacy**.

Way Forward

- **Centralised Verification System:** Implement a **centralised system** to prevent duplication of accounts using **biometric and digital identity verification**.
 - Develop incentives for individuals to maintain a single account rather than multiple ones, such as enhanced benefits or reduced fees.
- **National Strategy for Financial Inclusion (NSFI):** The upcoming **NFSI** for 2025-30 should emphasise PMJDY to expand **social security scheme** penetration and their awareness among the targeted population.
- **Insurance for All:** India needs to move away from sole focus on accounts and balances.
 - Endeavour is needed to ensure coverage of PMJDY account holders under **Micro Insurance schemes**.
 - Improving access of PMJDY account holders to micro-credit and micro investment such as flexi-recurring deposit is needed.
- **Increased Penetration of OD accounts:** The penetration of OD accounts must be improved so that PMJDY becomes a catalyst for a **virtuous cycle of growth** and contribution towards **Viksit Bharat**.
- **New Focus Areas:** The Centre believes that PMJDY has covered the majority of the adult population. Now, our focus is to cover the entire adult population and continue to cover those acquiring adulthood.
