

Telangana Begins Sub-Categorization of SCs

Source: TH

Recently, the Telangana government has initiated the process of categorizing **Scheduled Castes** (**SCs**) into four distinct sub-groups: A, B, C, and D.

- This development follows the Supreme Court's landmark judgment which granted states the authority to <u>sub-classify reserved categories</u>, including Scheduled Castes (SCs) and Scheduled Tribes (STs), for reservation purposes.
- Supreme Court Ruling:
 - The Supreme Court, in a <u>review-judgment of Punjab and Haryana High Court</u>, allowed states to sub-classify SCs and STs under <u>Article 14 of the Constitution</u> based on <u>varying levels of backwardness</u>.
 - It ruled that the 'creamy layer' principle, previously applied only to Other Backward
 Classes (OBCs)
 (as highlighted in Indra Sawhney Case)
 , should now also be applied to SCs and STs.
 - It also held that reservations are applicable solely to the first generation; if a family member has availed of the benefits, the second generation becomes ineligible.
