

Cooperative Minister inaugurates 48th crushing season of Karnal Sugar Mill

Why in News

On November 14, 2023, Haryana's Cooperative and Public Health Engineering Minister Dr. Banwari Lal started the 48th crushing season by putting sugarcane in the Karnal Sugar Mill machine. He honored these farmers who were the first to bring sugarcane in the crushing session.

Key Points

- Cooperative Minister Dr. Banwari Lal said that a target of 10% sugar recovery has been set with the crushing of 55 lakh quintals of sugarcane in this sugar mill. The state government will purchase each sugarcane from the farmer and will also make payment on time.
- He said that the government has increased the price of sugarcane by Rs 14 per quintal to Rs 386, which is the highest in the entire country. Apart from this, it has already been announced to increase the price of sugarcane to Rs 400 per quintal for next year's crushing season.
- Dr. Banwari Lal said that work has been done to increase the capacity of sugar mills. Now farmers' sugarcane does not go to other states. Along with sugar, ethanol plants and biogas plants have also been started in sugar mills. A lot of reforms have been made in cooperative societies. People will benefit from the PACS being computerised.
