

ASER 2022

//

The image shows the cover of the 'Annual Status of Education Report (ASER) 2022 Rural' report. The title is in Hindi and English. It is facilitated by PRATHAM. The cover features a background image of children in a classroom. Logos for Drishti IAS and PRATHAM are visible in the top right corner. A quote from the report is displayed in the center: 'The 17th edition of ASER Report highlights the impact of the Covid-19 pandemic on education'. Below the quote, there are two columns of key findings and information about the survey.

The 17th edition of ASER Report highlights the impact of the Covid-19 pandemic on education

ABOUT ASER

- India's annual, largest, citizen-led household survey (conducted since 2005)

AMBIT

- Children from all rural districts

PROVIDES/ASSESSES

- Estimates of enrolment status of children (aged 3-16)
- Basic reading and arithmetic levels of children (aged 5-16)

KEY FINDINGS OF ASER 2022

ASER 2022 covered ~7 lakh children in 19,060 villages across India

- ↑ in enrolment of children in govt schools (from 65.6% to 72.9%)
- ↑ in enrolment of 6-14 age group (98.4%; up from 97.2%)
- ↑ in children taking pvt tuitions (26.4% to 30.5%)
- ↑ in proportion of girls not enrolled in schools (age 11-14) (from 4.1% to 2%)
- ↑ in basic reading and arithmetic skills of young children [classes 3 (20.5%) and 5 (42.8%)]

Note: The improvement/decline in the performance in 2022 is against the year 2018 when the last full pre-pandemic survey was conducted
