

India and ADB to Bolster Pandemic Preparedness

Source: PIB

Recently, **Government of India** and the **Asian Development Bank (ADB)** signed a **USD 170 million** policy-based **loan to strengthen India's health system preparedness** and response capacity to future pandemics.

- The loan will help strengthen India's pandemic preparedness and response capabilities through.
 - Strengthened **disease surveillance** and multisectoral response.
 - Strengthened **human resources** for health.
 - Expanded climate-resilient public health infrastructure and innovative service delivery.
- The ADB's program will be aligned with India's <u>National Health Policy 2017</u>, <u>Pradhan Mantri Ayushman Bharat Health Infrastructure Mission (PM-ABHIM)</u>, <u>National One Health Mission</u>, and efforts to strengthen human resources for health.
 - It will set up **laboratory networks** for infectious disease surveillance at state, union, and metropolitan levels.
 - It will build robust data systems to monitor and coordinate national health programs for the poor, women, and other vulnerable groups.
 - It will regulate and maintain standards of education, services, and professional conduct of nurses, midwives, allied workers, and doctors.
