Kayakalp Scheme in Rajasthan

Why in News?

The Rajasthan College Education Commissionerate has **instructed 20 government colleges to pain**t the front facades of their buildings and entry halls **orange as part of the** <u>Kayakalp scheme</u>. The initiative aims to create a "**positive environment**" within educational institutions.

Key Points

- The Kayakalp Scheme:
 - The Kayakalp scheme, launched by the Ministry of Health and Family Welfare, aims to enhance cleanliness, hygiene, and infection control across public healthcare facilities in India.
- New Directive for Government Colleges:
 - First Phase: In the first phase, two colleges from each division level are included, totaling 20 colleges.
 - Objective of Rejuvenation: The order emphasizes creating a "positive, clean, healthy, and educational environment" for students, where they feel encouraged upon entering college campuses.
