Cyber Tehsil

Why in News?

Cyber Tehsil is a **digital governance initiative** implemented by the **Revenue Department, Government of Madhya Pradesh** to streamline and modernize land-related administrative processes.

Key Points

- **Statewide Expansion:** Launched as a pilot on **1ˢᵗ June 2022,** now implemented across all **55 districts.**
- **Purpose:** Digitizes land registration and mutation processes, reducing manual intervention and improving transparency.
- **Paperless System:** Land mutation is fully automated and online, starting automatically after property registration.
- **Quick Resolution:** Entire process completed within **15 days,** ensuring fast and efficient service.
- **Automatic Case Generation:** Mutation cases are automatically registered via the **Inspector General of Registration and Stamps (IGRS)** portal, cutting down manual delays.
- **Digital Delivery**: Updated land records are sent directly via **email or WhatsApp.**
- **Court Case Reduction**: Resolves **2 lakh** of **14 lakh mutation cases** without requiring court appearances, easing the judicial burden.

Inspector General of Registration and Stamps (IGRS)

- IGRS is a key official in **charge of managing and overseeing the registration** of documents and the stamping process in a state.
- The IGRS **supervises the registration of various legal documents** such as property deeds, marriage certificates, and other important documents.
- **Ensures that the registration process** adheres to legal requirements and standards set by the state.
- **Manages the collection of stamp duty,** which is a tax imposed on certain documents.
- Ensures **compliance with stamp duty regulations** and takes action against violations.
