Wayanad Landslides and Disaster Status

Source: IE

The Union government has informed Kerala that the <u>Wayanad landslides</u> occurred in July 2024 cannot be declared as <u>'National Disaster'</u>, citing existing provisions and funds available for relief operations.

- Wayanad landslides caused major damage to lives and property, prompting the Kerala government to request Rs 900 crore from the Centre for relief and rehabilitation efforts.
- Centre's Response: The Central Government clarified that there is no provision to declare any calamity a "National Disaster" under the existing guidelines of the <u>State Disaster</u> <u>Response Fund(SDRF)</u> and the <u>National Disaster Response Fund (NDRF)</u>.
 - Centre stated that **disaster management** is **primarily the state's responsibility**, with the Centre offering logistical and financial support.
 - Financial relief for affected individuals comes from the SDRF for 12 notified natural disasters, including <u>floods</u> and <u>landslides</u>.
 - In severe disasters, additional funds can be allocated from the NDRF after an assessment by an <u>Inter-Ministerial Central Team (IMCT).</u>
- Disaster: As per the Disaster Management(DM) Act 2005, a disaster is defined as "a casastrophe, mishap, calamity or grave occurrence in any area, arising from natural or man-made cause, or by accident.
 - Section 46(I) and Section 48(I)(a) of the DM Act, 2005 mandate the creation of a NDRF at the national level and a SDRF at the state level.
