- About Self-Help Groups (SHGs):
  - SHGs are informal associations of people who choose to come together to find ways to improve their living conditions.
  - It can be defined as a self governed, peer controlled information group of people with similar socio-economic background and having a desire to collectively perform common purpose.
  - Villages face numerous problems related to poverty, illiteracy, lack of skills, lack of formal credit etc. These problems cannot be tackled at an individual level and need collective efforts.
  - Thus SHG can become a vehicle of change for the poor and marginalized. SHG relies on the notion of "Self Help" to encourage self-employment and poverty alleviation.
  - In 1999, Government of India, introduced Swarn Jayanti Gram Swarozgar Yojana (SGSY) to promote self-employment in rural areas through formation and skilling of SHGs.
     The programme evolved as a national movement in 2011 and became National Rural Livelihoods Mission (NRLM).

    - Self help groups have the option whether to sell produce directly from the farm or by setting up a food processing unit and sell with great packaging.
  - Financial Inclusion:
    - Jan Dhan Accounts: With more than 42 crore Jan Dhan accounts of which close to 55% of the accounts are of women.
