

## Kayakalp Scheme in Rajasthan

## Why in News?

The Rajasthan College Education Commissionerate has **instructed 20 government colleges to paint** the front facades of their buildings and entry halls **orange as part of the <u>Kayakalp scheme</u>**. The initiative aims to create a **"positive environment" within educational institutions.** 

## **Key Points**

- The Kayakalp Scheme:
  - The Kayakalp scheme, launched by the Ministry of Health and Family Welfare, aims to enhance cleanliness, hygiene, and infection control across public healthcare facilities in India.
- New Directive for Government Colleges:
  - **First Phase**: In the first phase, **two colleges from each division level** are included, totaling 20 colleges.
  - Objective of Rejuvenation: The order emphasizes creating a "positive, clean, healthy, and educational environment" for students, where they feel encouraged upon entering college campuses.
