## FloodWatch Real-Time Flood Monitoring App

Recently, the <u>Central Water Commission (CWC)</u> under the <u>Ministry of Jal Shakti</u>, launched the mobile application "FloodWatch" for disseminating flood-related information in real-time.

- Key Features of FloodWatch:
  - Real-time flood monitoring provides up-to-date flood situations across the country.
  - App utilizes near **real-time river flow data from various sources** to enhance accuracy.
  - Interactive Map feature enables users to check CWC Flood Forecast (24 hours) or Flood Advisory (7 days) by selecting stations directly from the map or using the search box.
  - "FloodWatch" incorporates advanced technologies like satellite data analysis, mathematical modelling, and real-time monitoring to ensure accurate flood forecasts.

## **Curbing Fraud with SIM Card Registration**

The **Department of Telecommunications (DoT)** in India has introduced new measures to combat cyber fraud and scam calls related to SIM cards, these include **mandatory registration and verification of SIM dealers**, with the goal of curbing fraudulent activities and strengthening mobile security.

- Recent efforts have led to the blacklisting of 67,000 SIM dealers and 52 lakh connections, with over 300 First Information Reports (FIR) registered.
- The rollout of the <u>Sanchar Saathi portal(SSP)</u> complements these efforts, solidifying India's commitment to combatting telecommunications-related fraud.
  - The SSP, developed by the **Centre for Development of Telematics (C-DOT)** under the DoT, addresses prevalent telecom frauds like identity theft and banking fraud.
    - Over 40 lakh fraudulent connections were identified, and 36 lakhs disconnected using the portal.
  - Protects against identity theft, forged KYC, mobile device theft, and banking fraud.

#### Anduri Utsav: Uttarakhand's Whimsical Butter Festival

The **Anduri Utsav, popularly known as the Butter Festival**, celebrated at **Dayara Bugyal** of Uttarkashi district of **Uttarakhand** culminated recently.

- Dayara Bugyal, situated at an altitude of 11,000 feet above sea level, is one of the pristine meadows in the state.
- It is also known as Butter Holi, as people smear each other with butter, milk and buttermilk in a playful manner.
- The festival is a way of expressing gratitude to **Lord Krishna**, who is believed to have **protected** the cattle from evil forces while they were grazing in the bugyal.

### **Matti Banana**

Matti banana, a native variety of Kanniyakumari district, Tamil Nadu, was recently granted the Geographical Indication (GI) tag for its unique features and qualities.

- Matti banana has six types that differ in colour, aroma, taste, and texture, and are suitable for baby food and medicinal use.
- This Banana is commonly known as 'Baby Banana'.
- It grows best in the specific climate and soil of Kanniyakumari.
