

Decision to Start 'Two State Level Institutes'

Why in News

On October 13, 2021, Haryana Chief Minister Manohar Lal Khattar gave approval to start the **State Institute of Advanced Studies in Teacher Education in Gurugram and Kurukshetra**.

Key Points

- The Chief Minister said that Haryana is **the first state in the country** which has taken the initiative to implement this very ambitious recommendation of the new **National Education Policy**.
- In both these institutes, four-year B.Ed. Students will be given admission in the course from this session itself.
- International standard curriculum of teacher education will be implemented in these institutions. He said that with the start of these institutions, teachers with the latest skills of the 21st century would be created in the state, which would strengthen the school education of the state.
