# **CCEA Approves 7 Multi-tracking Projects of the Ministry of Railways**

The <u>Cabinet Committee on Economic Affairs (CCEA)</u> approved Seven projects of the Ministry of Railways.

- The proposals of Multi-tracking will ease operations and reduce **congestion**, providing the much-required **infrastructural development** on the **busiest sections across** <u>Indian Railways</u>.
- The projects covering 35 districts in 9 states will expand the existing Indian Railways network by 2339 kms and will generate employment for approximately 7.06 crore man-days for the people of these states.
  - These are essential routes for the transportation of varied baskets of commodities such as foodgrains, fertilizers, coal, cement, <u>fly-ash</u>, iron and <u>finished</u> steel, clinkers, crude oil, limestone, edible oil etc.
- These projects align with the fostering <u>climate goals</u>, <u>regional self-reliance</u>, and creating a <u>versatile</u> workforce, enhancing <u>employment opportunities</u>.
- The projects are the result of the <u>PM-Gati Shakti National Master Plan</u>, facilitating seamless connectivity for people, goods, and services through integrated planning.

### **Cabinet Approves Mutual Recognition Arrangement**

Recently, the **Union Cabinet has** granted approval for the **Mutual Recognition Arrangement (MRA)** between the **Central Board of Indirect Taxes and Customs (CBIC)**, Department of Revenue, Government of India, and the Department of Home Affairs incorporating the **Australian Border Force of the Australian Government**.

- This significant arrangement seeks to offer reciprocal advantages to accredited and trusted exporters from both nations in the streamlined customs clearance of goods.
  - Aligned with the <u>World Customs Organisation's Framework of Standards to Secure</u> and <u>Facilitate Global Trade (SAFE Framework)</u> of Standards, this MRA strengthens global trade security while enhancing trade facilitation.
  - By bringing the Australian Trusted Trader Program (ATTP) and the Indian Authorized Economic Operator Program (IAEOP) under mutual recognition, the arrangement aims to bolster trade relations between India and Australia.

**Lake Titicaca** 

\_//\_

Lake Titicaca is facing a serious threat from <u>climate change</u> and <u>drought</u>. It is the <u>largest</u> freshwater lake in South America and the highest of the world's <u>largest lakes</u>.

- The lake, which lies on the **border between Bolivia and Peru**, has seen its water levels drop to near-record lows.
- The lack of rainfall and the increased evaporation due to rising temperatures have reduced the inflow and volume of the lake.
  - This has resulted in stranded boats, exposed shorelines, and diminished fish populations.
- The lake is also home to more than 500 species of plants and animals, some of which are endemic and endangered.

# **Empowering Women Through 'Koosina Mane' Initiative**

Karnataka's 'Koosina Mane' initiative, introduced in its 2023-24 Budget, marks a progressive stride towards enhancing women's labor force participation and addressing gender disparities.

- This initiative aims to **establish childcare centers across 4,000 gram panchayats,** supporting working mothers under the **MGNREGA** and others nearby.
- It addresses the "triple burden" women face by redistributing childcare responsibilities, potentially enabling sustained employment and upskilling.
- It will address the issue of the 'motherhood penalty,' which is considered to be one of the reasons why women drop out of the labor force.

#### Critical Role of Sulina Channel in Ukraine's Grain Trade

- In a sequence of overnight drone strikes, Russia directed its assaults towards ports and grain storage sites located along Ukraine's Danube River.
  - Ukraine is also known as the "breadbasket of Europe". Its economy relies significantly on exporting agricultural products.
- The **Danube River** is the **second-longest river** in **Europe**, flowing through ten countries and serving as a **vital transportation route** and **natural resource** for the region.

- Following Russia's recent departure from the <u>Black Sea grain agreement</u>, Ukraine adopted the **Danube delta** as its fresh pathway for moving grain.
- The Sulina Channel is a crucial part of this "new" trade route. It's a 63 km long offshoot of the Danube River that links important Ukrainian ports on the river to the Black Sea. This channel is entirely within Romania's borders.

## India and WHO to launch Global Initiative on Digital Health

- India and the World Health Organization (WHO) will introduce the Global Initiative on Digital Health during the ongoing G-20 summit in Gandhinagar, Gujarat.
- This global initiative focuses on bringing together health data, connecting health platforms, and investing in digital health worldwide.
- The **summit** is also aiming to establish a vital **interim Medical Countermeasure (MCM)**. This involves a **'network of networks approach'** to be prepared for future health emergencies.
- The worldwide digital platform will have three main parts:
  - An investment tracker.
  - An ask tracker (to find out what products and services are needed by different people).

ne Vision

- A collection of existing digital health platforms.
- <u>Digital health</u> innovations and solutions will aid universal health convergence and improve healthcare service delivery.
