

Suvidha Portal

Source: [PIB](#)

The **Suvidha portal** is a technological solution developed by the [Election Commission of India \(ECI\)](#) to ensure a level playing field upholding the **democratic principles** of free, fair, and transparent elections.

- The Suvidha Portal aims to **streamline requests** for permissions and facilities from [political parties](#) and **candidates** during [elections](#), transparently **prioritising requests** based on the **First in First Out principle**.
 - It caters to permissions for organising rallies, opening temporary party offices, door-to-door canvassing, video vans, helicopters, obtaining vehicle permits, and distributing pamphlets.
 - Political parties and candidates can easily **request permission online** through the Suvidha Portal, which also offers **offline options** for **inclusivity**, supported by a robust **IT platform managed by nodal officers** for efficient processing.
 - Additionally, **Suvidha's companion app** allows applicants to track their requests' real-time status, enhancing **convenience and transparency**.
