

Good Governance Conference in Raipur | Chhattisgarh | 25 Nov 2024

Why in News?

Recently, At the 2-day Conference on <u>Good Governance</u> in **Raipur**, the Union Minister of State (Independent Charge) for Science and Technology emphasized that the **governance reforms** initiated under Prime Minister **prioritize** <u>"ease of living"</u> and **transparency**.

Key Points

Event Details:

- Organized jointly by the <u>Department of Administrative Reforms & Grievance</u> <u>Redressal (DARPG)</u> and the Government of Chhattisgarh.
- Brought together policymakers, bureaucrats, and experts to discuss public service delivery reforms.

Decentralizing Governance Discussions:

- The significance of moving governance discussions beyond central halls of power was emphasized.
- Conferences held across states ensure solutions tailored to regional needs and foster collaboration between the Centre and States.
- Similar events have been conducted in J&K, Arunachal Pradesh, Goa, Andhra Pradesh, Telangana, Tamil Nadu, and others, reflecting nationwide outreach.

Landmark Governance Reforms:

- Over 2,000 obsolete rules have been removed to reduce bureaucratic red tape.
- Simplified administrative procedures by scrapping the requirement for attested documents, reinforcing trust in citizens.
- Introduced face-recognition technology for pensioners, eliminating the need for physical verification.
- Expanded digitization of pension and family entitlement systems for timely disbursal.
- **Eliminated interviews for Group B and C posts**, reducing bias and corruption in recruitment processes.

Impact of the Reforms:

- Governance reforms aim to reduce delays, combat corruption, and simplify administrative processes for citizens.
- Leveraged technology to enhance efficiency, especially benefiting senior citizens and rural populations.

the management of a country's economic and social resources for development.
