Why in News?

Recently, the [Reserve Bank of India \(RBI\)](#) has reported a spike of **68.2% in complaints under its Integrated Ombudsman Scheme (RB-IOS)** for the financial year 2023, with figures reaching a staggering 703,000.

- This leap marks a substantial rise compared to the previous years, where FY22 saw a 9.4% increase and FY21 witnessed a 15.7% hike in complaints.

What are the Factors Behind this Surge in Complaints?

- The central bank's vigorous **public awareness initiatives** played a significant role in encouraging **people to voice their concerns and grievances**. As people become more aware of their rights and avenues for complaint resolution, they are more likely to report issues they encounter with banks and non-bank payment system participants.
- The implementation of a **streamlined process for lodging complaints** makes it easier for the public to report issues they face with financial institutions.
 - When the **process is simplified and accessible**, individuals are more likely to engage with it, leading to an increase in the number of complaints received.
- With the **growing popularity of digital transactions**, especially in the realm of mobile and electronic banking, there is a higher likelihood of encountering issues such as unauthorised or fraudulent transactions.
 - The convenience of [digital banking](#) also means that any hiccups in the system can affect a **large number of users simultaneously, leading to an increase in complaints**.

What is an Ombudsman?

- A government official who deals with complaints made by **ordinary people against public organisations**. This concept of the Ombudsman arrived from Sweden.
- It means an officer appointed by the Legislature to **handle complaints against a service or administrative authority**.
- In India an Ombudsman is appointed to **resolve grievances in the following sectors**.
 - Insurance Ombudsman
 - Income Tax Ombudsman
 - Banking Ombudsman

What is RBI Integrated Ombudsman Scheme (RB-IOS)?

▪ About:

- RB-IOS amalgamates three ombudsman schemes of **RBI-banking ombudsman scheme of 2006**, [Ombudsman scheme for NBFCs of 2018](#) and Ombudsman scheme of digital transactions of 2019.
- The unified ombudsman scheme aims to provide **redress of customer complaints involving deficiency in services rendered by RBI-regulated** entities viz. **banks, NBFCs (Non-banking Financial Companies) and pre-paid instrument players** if the grievance is not resolved to the satisfaction of the customers or not replied within a period of 30 days by the regulated entity.
- It includes non-scheduled primary [co-operative banks](#) with a deposit size of Rs 50 crore and above. The integrated scheme makes it a **“One Nation One Ombudsman” approach** and jurisdiction-neutral.

▪ Need:

- The first ombudsman scheme was rolled out in the 1990s. The system was always viewed as an issue by consumers.
- One of the primary concerns was the **lack of maintainable grounds on which the consumer could challenge the actions** of a regulated entity at the ombudsman or rejection of the complaint on technical grounds, resulting in a preference for the [consumer court](#) notwithstanding the extended timelines for redressal.
- The move to integrate the systems (**banking, NBFC, and digital payments**) and expand the grounds for complaints is expected to see a positive response from consumers.

▪ Features:

- The Scheme defines **‘deficiency in service’ as the ground for filing a complaint**, with a specified list of exclusions.
 - Therefore, the complaints would no longer be rejected simply on account of “not covered under the grounds listed in the scheme”.
- The scheme is jurisdiction-neutral and a centralised receipt and processing centre has been set up in Chandigarh for initial handling of complaints in any language.
- RBI had created a provision for the **use of Artificial Intelligence tools** so that banks and investigating agencies could coordinate in a better way in the fastest time possible.
- The bank customers **will be able to file complaints, submit documents**, track their status, and give feedback through a single email address.
- There will also be a multilingual toll-free number that will provide all relevant information on grievance redress.
- The regulated entity **will not have any right to appeal in cases where an award is issued by the ombudsman** against it for not furnishing satisfactory and timely information.

▪ Appellate Authority:

- **RBI’s Executive Director in charge of the Consumer Education and Protection Department** would be the Appellate Authority under the integrated scheme.

▪ Significance:

- This will help in improving the **grievance redress mechanism for resolving customer complaints** against RBI's regulated entities.
- It is expected to **ensure uniformity and streamlined user-friendly mechanisms** which will add value to the scheme and bring customer delight and financial inclusion.
