

PM Virtually Lays Foundation of Health Projects in Jharkhand

Why in News?

Recently, Prime Minister Narendra Modi virtually laid the foundation of various **health projects worth around Rs 177 crore** in Jharkhand.

Key Points

- Under <u>PM-ABHIM</u> (<u>Ayushman Bharat Health Infrastructure Mission</u>), the projects include two Nursing Colleges, four Critical Care Blocks (CCBs) and three <u>Block Public Health</u> Units (BPHU).
 - The nursing colleges will be constructed at Koderma Medical College and Phulo Jhano Medical College at Dumka.
 - The four CCBs will be set up in four different districts, including one at Rajendra Institute
 of Medical College (RIMS), Ranchi.
 - The three BPHU will be set up in Deoghar district.

PM-ABHIM (Ayushman Bharat Health Infrastructure Mission)

- Launched in 2021, it is one of the largest pan-India schemes for strengthening healthcare infrastructure across the country.
- Its objective includes:
 - To ensure a robust public health infrastructure in both urban and rural areas, capable
 of responding to public health emergencies or disease outbreaks.
 - To establish an IT-enabled disease surveillance system through a network of surveillance laboratories at block, district, regional and national levels.
