Voter Turnout App

- This application was launched on **18th April 2019** by the **Election Commission of India to increase citizen participation in elections** and to provide instant information about voter turnout on the voting day.
- It is used to **display real time voter turnout details** including Male, Female and Third Gender in **each Assembly Constituency/Parliamentary Constituency**. This app can be used by citizens to capture live voter turnout data.
- The Voter Turnout app allows citizens to get information about the estimated voter turnout for each state separately. The **app also allows users to share voting percentage** with their contacts via Facebook, Twitter, Gmail and WhatsApp. That means any person can share the percentage of real-time voting in his social media account.
- **No data can be pre-fed in the Voter Turnout App**. The Voter Turnout App is designed to show estimated voter turnout for each state and can be used up to the district and assembly constituency level. On the day of voting, state wise, district wise and assembly constituency wise

voter turnout updates can be seen.
