

Central Coalfields Limited Gets Coal Minister's Award 2021-22 in Safety and Stability Category

Why in News?

Central Coalfields Limited (CCL), a Jharkhand based subsidiary of Coal India Limited (CIL), bagged the second prize in safety category and third in sustainability category in the Coal Minister's Award for 2021-22 at a function held in New Delhi on August 18, 2022.

Key Points

- Union Minister of Coal, Mines and Parliamentary Affairs Prahlaad Joshi presented the Coal Minister Awards, 2021-22 in various categories.
- Prahlaad Joshi presented the trophy to PM Prasad, CMD, Central Coalfields Limited (CCL) in the presence of Coal Secretary Anil Kumar Jain and CIL Chairman Pramod Agarwal.
- These awards, first introduced last year, were given in three categories - safety, production & productivity and sustainability.
- Expanding the scope of these awards, two new additional categories of quality and ERP implementation have been added this year. As another aspect, General Managers from the best performing sectors were also awarded in four sub-categories this year.
- Mahanadi Coal Fields Limited (MCL) bagged the first prize in three categories, namely 'Safety', 'Production & Productivity' and 'Quality', out of the five categories of awards. While Western Coalfields Limited (WCL) got the first prize in the category 'Sustainability', Northern Coalfields Limited (NCL) got the first prize in 'Implementation of ERP'.
- It is to be noted that CCL (formerly NCDC Limited) was established on November, 1975 as a subsidiary out of five subsidiaries of CIL. Central Coalfields Limited is a Category 1 Miniratna Company since the year 2007.
- Central Coalfields Limited has recorded highest production of 68.8 Million Tonnes (MT) and dispatch of 71.8 Million Tonnes (MT) in the last financial year 2021-22 since inception.
- It is noteworthy that Coal India Limited is the first controlling company in the country for coal. Initially it had five subsidiaries, whereas CIL currently has eight subsidiaries.
- Coal India Limited The state owned coal mining corporation came into existence on November, 1975. Coal India Limited, with an ordinary production of 79 million tonnes (MT) in the year of its inception, is today (as on 11 August 2022) the world's largest coal producer with a production of 224 million tonnes (MT) and is one of the largest corporate employers with a manpower of 2,48,550 (as on 1 April, 2022) .
- CIL, spread across eight states of India, operates through its subsidiaries in 84 mining areas. Coal India Limited has 318 mines (as on 1st April, 2022), of which 141 are underground, 158 open mines and 19 mixed mines. CIL also has 21 Training Institutes and 76 Vocational Training Centres.
