

Challenges Faced by Nomadic Tribes

Why in News

In a written reply in Rajya Sabha, the <u>Minister of State for Social Justice and Empowerment</u> stated that a **Development and Welfare Board for Denotified, Nomadic and Semi-Nomadic**Communities (DWBDNCs) was constituted for development and welfare of <u>Denotified, Nomadic and Semi-Nomadic Communities</u> in 2019.

• The welfare board was constituted for a period of three years extendable upto 5 years.

Key Points

- Challenges Faced by Nomadic Tribes:
 - There are nearly 1,500 nomadic and semi-nomadic tribes and 198 denotified tribes, comprising 15 crore Indians, according to the Renke Commission, 2008.
 - These tribes remain socially and economically marginalised even now, depriving many of them of basic human rights.
 - The most pressing issue is of their identity.
 - Lack of Basic Infrastructure Facilities: Like drinking water, shelter, and sanitation facilities are not available to the communities. Healthcare and education facilities are also not available.
 - Bad Treatment by Local Administration: Due to the stigma of Criminals bestowed upon them in the past, they are still treated criminals and tortured by the local administration and police.
 - Lack of Social Security Cover: Since they are on move frequently, they do not have a
 permanent settlement. As a result, they lack social security cover and are not issued
 Ration Card, Aadhar Card, etc. and hence they are not getting benefits under the
 government welfare schemes.
 - The caste categorization is not very clear for these communities, in some states some
 of the communities are included under the SC category, in some other states they are
 included under OBCs.
 - However, most of the groups from these communities do not have caste certificates and hence are not able to avail the benefits of government welfare programs.
- DWBDNCs Responsibilities:
 - To **formulate and implement Welfare and Development programmes,** as required, for Denotified, Nomadic and Semi-Nomadic Communities (DNCs).
 - To **identify the locations/areas** where these communities are densely populated.
 - To assess and identify gaps in accessing existing programmes and entitlements and to collaborate with Ministries/implementing agencies to ensure that ongoing programmes meet the special requirements of DNCs.
 - To monitor and evaluate the progress of the schemes of the Government of India and the States/UTs with reference to DNCs.
- Schemes for Denotified, Nomadic and Semi-Nomadic Communities:

- Dr. Ambedkar Pre-Matric and Post-Matric Scholarship for DNTs:
 - This Centrally Sponsored Scheme was launched in 2014-15 for the welfare of those DNT (Denotified, Nomadic and Semi-Nomadic Tribes) students who are not covered under SC, ST or OBC.
 - The income ceiling for eligibility is Rs. 2.00 lakh per annum.
 - The scheme is implemented through State Governments/UT Administrations. The **expenditure** is **shared** between the **Centre** and **the States** in the ratio of **75:25.**
 - The scheme of Pre-matric Scholarship for DNT students is helpful in spreading education amongst DNT children especially the girl child.
- Nanaji Deshmukh Scheme of Construction of Hostels for DNT Boys and Girls:
 - This Centrally Sponsored Scheme, launched in 2014-15, is implemented through State Governments/UT Administrations/Central Universities.
 - The aim of the scheme is to provide hostel facilities to those DNT students; who are not covered under SC, ST or OBC; to enable them to pursue higher education.
 - The income ceiling for eligibility is Rs. 2.00 lakh per annum.
 - The Central Government provides a maximum of 500 seats per annum throughout the country.
 - The expenditure is shared between the Centre and the States in the ratio of 75:25.

Denotified, Nomadic and Semi-Nomadic Communities

- Denotified tribes are those that were notified under the Criminal Tribes Acts enforced during British Rule, whereby entire populations were branded criminals by birth.
 - In 1952, the Act was repealed and the communities were de-notified.
- The Nomadic tribes maintain constant geographical mobility while semi-nomads are those who are on the move but return to fixed habitations once a year, mainly for occupational reasons.
 - The distinction between nomadic and semi-nomadic do not involve distinguishable ethnic categories or social groups, it rather describes the degree of mobility practiced by them.
