

## Progress of Swachh Bharat Mission-Grameen in Rajasthan | Rajasthan | 05 Dec 2024

## Why in News?

The Union Minister for Jal Shakti chaired a crucial review meeting to assess Rajasthan's progress and challenges in implementing the <u>Swachh Bharat Mission-Grameen (SBM-G)</u>.

## **Key Points**

- Swachh Bharat Mission Grameen (SBM-G) & Rajasthan:
  - It was launched in 2014 by the Ministry of Jal Shakti to accelerate the efforts to achieve universal sanitation coverage and to put focus on sanitation.
    - The mission was implemented as a nation-wide campaign/Janandolan which aimed at eliminating open defecation in rural areas.
  - Rajasthan has demonstrated notable progress under the SBM-G initiative:
    - Ranked 10<sup>th</sup> nationally for ODF (Open Defecation Free) Plus Model achievements.
    - 98% of villages in the state have been declared ODF Plus.
    - 85% of villages have successfully achieved ODF Plus Model status.
- Achievements:
  - Faecal Sludge Management (FSM):
    - Current Status: Only 114 blocks have completed FSM verification.
      - No rural <u>Faecal Sludge Treatment Plants (FSTPs)</u> have been constructed yet.
    - Recommendations: Utilize urban resources effectively.
    - Finalize and implement a robust FSM policy.
  - Solid Waste Management (SWM):
    - **Progress**: 94% of villages are covered under SWM initiatives.
    - **Recommendations**: Ensure the proper functioning of segregation sheds and vehicles while connecting compost markets to enhance sustainability.
  - Plastic Waste Management Units (PWMUs):
    - Only one operational PWMU exists in rural Rajasthan, needing significant scale-up.
  - Grey Water Management (GWM):
    - **Progress:** 98% of villages have GWM systems in place, with saturation in remaining villages expected soon.
    - Focus Areas: Promote household soak pits for tap water connections under the <u>Jal</u> <u>Jeevan Mission (JJM).</u>
  - Strengthen the role of <u>self-help groups</u> in driving sanitation initiatives.
- Tourism and Cleanliness:
  - Rajasthan was urged to combine its rich tourism heritage with cleanliness initiatives and adopt the <u>Swachhta Green Leaf Rating program</u> to demonstrate tradition and innovation can unite for sustainable sanitation.

## Swachhata Green Leaf Rating (SGLR) Program

- It is a government initiative to promote hygiene and sanitation in the hospitality sector.
- The SGLR program aims to **improve the quality of life and public health** by:
  - $\circ\,$  Ensuring world-class cleanliness and hygiene in hotels, resorts, and homestays
  - $\circ~$  Improving the reputation of tourist destinations
  - $\circ~$  Supporting local Gram Panchayats to achieve ODF Plus Model status
