

UP Aims for 'Zero Poverty' Goal

Why in News?

Uttar Pradesh Chief Minister announced a campaign to make Uttar Pradesh the first state in India to achieve [zero poverty](#) within a year.

Key Points

▪ Campaign Objective:

- Identify and support the poorest families in each [gram panchayat](#) to integrate them into the mainstream.
- Families will receive assistance in:
 - Food and clothing.
 - Quality education.
 - Healthcare services.
 - Housing facilities.
 - Stable income sources.

▪ Family Identification Process:

- Targeting the poorest **10-25 families per gram panchayat** using a three-tier, transparent selection method:
 - **Level 1:** Identification through the '**Mop-up**' mobile app based on criteria such as homelessness, landlessness, reliance on daily wages, and lack of resources.
 - **Level 2:** Formation of a **village-level committee comprising five members (gram pradhan, former gram pradhan, local school headmaster, and representatives from [self-help groups](#))**.
 - **Level 3:** Families receive an automated vulnerability rating via a digital system post-committee recommendations.

▪ Government Schemes Benefits:

- Eligible families will gain access to various government schemes, including:
 - Ration cards and food supplies from the **Department of Food and Civil Supplies**.
 - Benefits under housing schemes like [Pradhan Mantri Awas Yojana](#).
 - Educational support such as school admissions and uniforms.
 - Medical facilities through [Ayushman Bharat Insurance](#) and other health initiatives.
- Integration with schemes from the **Labor Department**, [MNREGA](#), [State Rural Livelihood Mission](#), and others.
- Access to skill development initiatives and employment benefits.
- Collaboration with educational institutions to develop tailored sustainable income plans for identified families.
- **Zero Poverty portal (ZeroPoverty.in) will be integrated with the Family ID portal** for efficient data management and support for families needing ration cards.
