

# **3rd Global Ministerial Conference on Road Safety**

## Why in News

Recently, the Minister of Road Transport & Highways represented India at the 3<sup>rd</sup> Global Ministerial Conference on Road Safety in Stockholm (Sweden).

It is organised by the <u>World Health Organization (WHO)</u> in association with the <u>World Bank</u> and minister-led delegations from more than 80 countries.

## **Key Points**

- Theme:
  - The theme of the conference is 'Achieving Global Goals 2030'.
- Objectives:
  - It intends to bring road safety on the global agenda and renew the world community's commitment to safer roads.
  - It also aims to define ways to accelerate action on proven strategies to save lives.
- Highlights:
  - The conference adopted the "Stockholm Declaration" which calls for a new global target for road safety for 2030 and a set of innovative solutions to save lives on the world's roads.
  - It also aims to share successes and lessons from the implementation of the Global Plan for the Decade of Action for Road Safety 2011-2020.
  - India has reaffirmed its commitment to the United Nations goal set under the UN Decade
    of Action of drastically reducing road accidents by the year 2030 during the event.

#### **Numerics on Road Accidents**

- Worldwide Scenario:
  - Number of Deaths: The number of deaths on the world's roads remains unacceptably high, with an estimated 1.35 million people killed each year.
  - Leading Cause of Deaths: Road traffic crashes are the eighth leading cause of death globally for people of all ages, and the leading cause of death for children and young adults aged 5-29 years.
  - **Economic Burden:** The road accidents cost countries around 3% of their respective GDP.
- National Scenario:
  - Number of Deaths: It kills almost 1.5 lakh people annually in India.
  - Drastic Drop: The accidents, as well as accident-related deaths in the period 2010-2018, dropped drastically compared with the previous decades, despite the very high rate of growth of automobiles.
  - Severity: The road accident severity (the number of persons killed per 100 accidents) has increased by 0.6% in 2018 compared to 2017.

## Global Initiatives for Road Safety

- Brasilia Declaration on Road Safety
  - The declaration was signed in 2015 at the second Global High-Level Conference on Road Safety held in Brazil. The first conference was held in Russia (2009).
  - Through the Brasilia Declaration countries plan to achieve the <u>Sustainable</u>
     <u>Development Goal</u> 3.6 i.e.to half the number of global deaths and injuries from road traffic accidents by 2030.
  - The United Nations has also declared 2011-2020 as the decade of action for Road Safety.
- UN Global Road Safety Week
  - It is celebrated every two years, the fifth edition of the UN Global Road Safety Week (6-12 May 2019) highlighted the need for strong leadership for road safety.
- The International Road Assessment Programme (iRAP)
  - It is a registered charity dedicated to saving lives through safer road

# **National Initiatives for Road Safety**

- 4 E's for Road Safety:
  - Ministry of Road Transport & Highways had formulated a multi-pronged strategy based on
     4 `E's Education, Engineering, Enforcement, Emergency Care.
    - **Education:** Awareness is generated through various Road Safety Campaigns utilizing audio-visual and other print media and through NGOs.
    - **Engineering:** The engineering measures are considered essential for adoption to help in improving road safety leading to reduction of accidents.
    - **Enforcement:** The enforcement of road transport-related rules and regulations (like The Motor Vehicles Act 1988 and Central Motor Vehicles Rules 1989) is an important aspect to ensure road safety.
    - **Emergency Care:** The scheme like National Highway Accident Relief Service Scheme (NHARSS) has been implemented to provide cranes and ambulances to States/UTs/NGOs for relief and rescue measures in the aftermath of accidents.
- Justice K.S. Radhakrishnan Committee
  - Supreme Court had set up the three-member KS Radhakrishnan panel on road safety in
     2014. The SC had termed the roads in India as "giant killers".
- Motor Vehicles Amendment Act, 2019
  - It hikes the penalties for traffic violations, defective vehicles, juvenile driving, etc.
  - It provides for a Motor Vehicle Accident Fund, which would provide compulsory insurance cover to all road users in India for certain types of accidents.
  - It also provides for a National Road Safety Board, to be created by the Central Government through a notification.
  - The act also provides for the protection of good samaritans.
