- The **first two rounds** of these dialogues between both the countries were held in 2018 and 2019.

Key Points

- India has signed the **Basic Exchange and Cooperation Agreement** (BECA) with the USA.
 - BECA will enable the exchange of geospatial data and information between the two countries and will improve the accuracy of India's missiles in precision strikes.
 - The geospatial maps and charts to be shared, will be acquired from multiple sources like satellites, unmanned aerial vehicles (UAVs), reconnaissance aircraft, aerostats among others.
 - As part of measures to enhance military to military cooperation, Liaison Officers at each other's establishments could be leveraged to enhance information sharing.
 - BECA is one of the four foundational military communication agreements between the two countries. The <u>other three</u> are:
 - General Security Of Military Information Agreement.
 - Logistics Exchange Memorandum of Agreement.
 - Communications and Information Security Memorandum of Agreement.
- Both countries released a Joint Statement on shared Indo-USA goals in the Asia-Pacific region and emphasised that the Code of Conduct in the South China Sea should not prejudice the legitimate rights and interests of any nation in accordance with international law.
 - They also decided to expand joint capacity building activities with partner countries in the <u>Indo-Pacific</u> region.
- Other Steps Taken:
 - Memorandum of Understanding (MoU) on Technical Cooperation in Earth Observations and Earth Sciences.
 - Agreement to extend the duration of the MoU on the Global Center for Nuclear Energy Partnership.
 - Agreement on the electronic exchange of customs data.
 - Letter of intent regarding cooperation in traditional Indian medicines.
 - **Discussions on the status of** <u>Afghanistan</u> and support for its peace process.

'2+2' Dialogue

• 2+2 Ministerial is the **highest-level institutional mechanism** between the two countries.

- It is a **format of dialogue** where the defence/foreign ministers or secretaries meet with their counterparts from another country.
- India holds such talks with Australia, Japan and the USA.

Way Forward

- The signing of BECA is a significant achievement for India as it is a sign of the USA accepting the Indian request for cooperation in the advanced field of maritime domain awareness.
- India-USA's national security convergences have grown closer in a more multipolar world and the meetings as well as the agreements not only advance their individual interests but also ensure that the bilateral cooperation between them makes a positive contribution in the world arena.
