

Bima Sakhi Yojana | Haryana | 11 Dec 2024

Why in News?

Recently, the Prime Minister launched the '**Bima Sakhi Yojana'** of **Life Insurance Corporation** in Panipat, Haryana. During the occasion, he also **laid the foundation stone of** the Main campus of **Maharana Pratap Horticultural University, Karnal.**

Key Points

- Bima Sakhi Yojana:
 - It is designed for **women aged 18-70 years**, focusing on **financial literacy** and **insurance awareness**.
 - It includes training and a stipend for three years, with opportunities to become LIC agents or Development Officers and create employment for 2 lakh women.
 - It will strengthen the mission of <u>"Insurance for All,"</u> promoting <u>social security</u> and <u>eradicating poverty.</u>
- Maharana Pratap Horticulture University:
 - It is spread over 495 acres, featuring research stations, a College of Horticulture, and five schools.
 - It aims to diversify crops and promote world-class horticulture technologies.
- During the event the PM also highlighted:
 - **Beti Bachao, Beti Padhao campaign** launched from Panipat, contributed to saving the lives of thousands of daughters in the last decade.
 - Highlighted various initiatives for women, including:
 - Training women as Bank Sakhis, Insurance Sakhis, and Krishi Sakhis.
 - Increasing maternity leave to 26 weeks.
 - Introducing programs like Jan Dhan Yojana for <u>financial inclusion</u>, with 30 crore women benefitting.
 - He emphasized <u>Self Help Groups (SHGs)</u> as a cornerstone of rural economic transformation, with over 10 crore women associated.
 - Highlighted achievements like the Lakhpati Didi Campaign which has enabled 1.15 crore women to earn over Rs 1 lakh annually.
 - He highlighted the transformation brought by Jan Dhan Yojana, ensuring direct transfer of benefits from schemes like:
 - Kisan Kalyan Nidhi.
 - Sukanya Samriddhi Yojana.
 - Funds for housing and small businesses.

Beti Bachao, Beti Padhao Scheme

- About:
 - The Scheme was launched by the Prime Minister on January 22, 2015 to address the declining <u>Child Sex Ratio (CSR)</u> and related issues of women's empowerment over a life-cycle continuum.
 - It is a **Tri-ministerial effort** of the Ministries of Women and Child Development (MW&CD), Ministry of Health & Family Welfare (**MH&FW**), and Ministry of Education.
- Main Objectives:
 - Prevention of gender-biased sex-selective elimination.

- Ensuring survival & protection of the girl child.
- Ensuring education and participation of the girl child.
- Protecting rights of Girl children.

Marbled Duck | Haryana | 11 Dec 2024

Why in News?

Key Points

- Physical Characteristics:
 - Medium-sized duck with grey-white plumage.
 - Distinguished by a large head and light eye patches.
 - $\circ\,$ Feeds on fish and aquatic plants.
- Global Conservation Status:
 - Classified as <u>"vulnerable"</u> globally by the <u>International Union for Conservation of</u> <u>Nature (IUCN).</u>
 - Population decline attributed to habitat destruction and hunting.
- Geographic Range and Habits:

- Native to Europe, where it breeds during the summer months.
- Known to breed in three distinct regions: the <u>eastern Mediterranean, western</u> <u>Mediterranean</u>, and <u>Iran</u>.
- Prefers lowland, shallow freshwater habitats for breeding.
- Occurrence in India:
 - Rarely spotted in Delhi-NCR; last recorded at **Bhindawas wetland in 2022.**
 - Limited sightings in Haryana, with records in Gurgaon during the 2000s.
 - Previous observations include Gujarat and Rajasthan.

Sultanpur National Park

- About:
 - Sultanpur National Park is a bird paradise for bird watchers. It is famous for its migratory as well as resident birds.
 - Migratory birds start arriving in the park in September. Birds use the park as a resting place till the following March-April.
 - During <u>summer</u> and <u>monsoon</u> months the park is inhabited by many local bird species.
 - In April 1971, the <u>Sultanpur Jheel</u> inside the park (an area of 1.21 sq. Km.) was accorded Sanctuary status under section 8 of the Punjab Wildlife Preservation Act, 1959.
 - The status of the park was upgraded to <u>National Park</u> under the <u>Wildlife (Protection)</u> <u>Act, 1972</u> in July 1991.
- Location:
 - It is **situated in Gurgaon district of Haryana**. The distance of the park is around 50 Km from Delhi and 15km from Gurgaon.
- Important Fauna at the Park:
 - Mammals: <u>Blackbuck</u>, <u>Nilgai</u>, Hog deer, Sambar, <u>Leopard</u> etc.
 - Birds: Siberian Cranes, Greater Flamingo, Demoiselle Crane etc.
