

Masaan Holi

Why in News?

Recently, Masaan Holi, a **special two-day event** was celebrated **in Varanasi**. During which **devotees put ashes from funeral fires and a pink powder (gulal) on each other.** This event is also seen as a **way to celebrate death.**

Key Points

- The ritual of Masaan Holi Varanasi is believed to celebrate the Holika-Prahalad mythological event with the pyre ashes.
- The use of pyre ashes in Masaan Holi Varanasi symbolises the shortness of life and the
 cyclical nature of a person's existence in this materialistic world.
- It is believed that the ashes used in Masan Holi possess purifying properties that cleanse the body, mind, and soul of impurities.
- By smearing each other with ash during Holi, people seek spiritual rejuvenation and internal purification.
