Recently, the **Clearing Corporation of India** released data that revealed that **Commercial banks** have mobilised **Rs 1.45 trillion** through **Certificates of Deposit (CDs)** to strengthen their balance sheets.

Certificates of Deposit (CDs):

- A CD is a negotiable, unsecured money market instrument offered by banks and credit unions that provides an interest rate premium in exchange for the customer agreeing to leave a lumpsum deposit untouched for a predetermined period.
 - In other words, it pays **a fixed interest rate** on money held in banks for an agreed-upon period.
- CDs can be issued by scheduled commercial banks and All-India Financial Institutions
 (FIs) to individuals (including NRIs), corporations, companies, trusts, funds,
 associations. etc.
 - A minimum amount of a CD should be **Rs.1 lakh** and thereafter permits multiples of it.
- The **maturity period** of CDs issued by **banks** ranges from 7 days to one year, while for **FIs** this limit is from 1 year to upto 3 years from the date of issue.

Clearing Corporation of India (CCIL):

 Established in 2001, it provides reliable clearing and settlement services in the Money and Government Securities markets.
