Why in News?

In 2021, the <u>Support for Marginalized Individuals for Livelihood and Enterprise (SMILE) scheme</u>, aimed at advancing the vision of <u>Viksit Bharat</u> was initiated. This included the launch of the <u>Central</u> <u>Sector Scheme</u> for Comprehensive Rehabilitation for the Welfare of <u>Transgender Persons</u>.

Who is a Transgender?

- According to the <u>Transgenders Persons Act</u>, <u>2019</u>, transgender means a person whose gender does not match with the gender assigned to that person at birth.
- It includes trans-person with intersex variations, gender-queer and person having such sociocultural identities as kinnar, hijra, aaravani and jogta.
- India's **2011 Census** was the **first census** in its history to incorporate the number of 'trans' population of the country. The report estimated that 4.8 million Indians identified as transgender.

What is a SMILE Scheme?

About:

- It is a new Scheme after the merger of existing Schemes for Beggars and Transgenders.
 - The two sub-schemes of SMILE 'Central Sector Scheme for Comprehensive Rehabilitation for Welfare of Transgender Persons' and 'Central Sector Scheme for Comprehensive Rehabilitation of engaged in the act of Begging' - provide comprehensive welfare and rehabilitation measures to the Transgender community and the people engaged in the act of begging.
 - Scheme provides for the **use of the existing shelter homes available** with the State/UT Governments and Urban local bodies for rehabilitation of the transgender persons.
 - In case of non-availability of existing shelter homes, new dedicated shelter homes are to be set up by the implementing agencies.

Focus:

• The focus of the scheme is extensively on rehabilitation, provision of medical facilities, counselling, basic documentation, education, skill development, economic linkages and so

on.

- It is estimated that an approximate **60,000 poorest persons** would be benefited under this scheme for leading a life of dignity.
 - It provides Scholarships for Transgender Students studying in Class 9th and above till post-graduation to enable them to complete their education.
 - It has provisions for Skill Development and Livelihood under the <u>PM-DAKSH</u> scheme.
 - Through Composite Medical Health it provides a comprehensive package in convergence with <u>Pradhan Mantri Jan Aarogya Yojana (PM-JAY)</u> supporting Gender-Reaffirmation surgeries through selected hospitals.
 - The Housing facility in the form of <u>'Garima Greh'</u> ensures food, clothing, recreational facilities, skill development opportunities, recreational activities and medical support etc. to the Transgender community and the people engaged in the act of begging.

Implementation:

- It will be implemented with the support of State/UT Governments/Local Urban Bodies,
 Voluntary Organizations, Community Based Organizations (CBOs), institutions and others.
- The **Provision of Transgender Protection Cell** in each state will monitor cases of offences and to ensure timely registration, investigation and prosecution of offences.
- The **National Portal & Helpline** will provide necessary information and solutions to the Transgender community and the people engaged in the act of begging when needed.

Scheme for Comprehensive Rehabilitation of Trangenders:

- The scheme has been implemented in the selected cities on pilot basis having large concentrations of the Beggar and Transgender community.
- During the year 2019-20, this Ministry had released an amount of Rs. 1 Crore to National Institute of Social Defence (NISD) and Rs. 70 Lakh to National Backward Classes Finance & Development Corporation (NBCFDC) for skill development programmes for beggars.

What are the Problems Faced by Transgenders?

Societal Stigma:

- **Social Exclusion:** Transgender individuals often face isolation and marginalization, leading to mental health issues, substance abuse, and a reduced quality of life.
- **Stereotyping and Misrepresentation:** Society tends to stereotype transgender people, limiting their opportunities for employment, education, and healthcare.
- **Family Rejection:** Many transgender individuals are disowned by their families, leaving them without familial support and economic stability.

Discrimination:

- **Violence and Hate Crimes:** Hate <u>cri</u>mes, physical and verbal abuse, and sexual assault are significant threats to the <u>safety and</u> well-being of transgender individuals.
- **Educational Barriers:** Discrimination in educational institutions hampers access to quality education and future career opportunities.
- Employment Discrimination: Transgender individuals frequently experience job discrimination, which leads to unemployment or underemployment, perpetuating their economic vulnerability.
- Healthcare Disparities: Discrimination by healthcare providers often deters transgender individuals from seeking necessary medical care, including gender-affirming procedures.

Absence of Legal Recognition:

- Legal Ambiguity: While India has made progress with the Transgender Persons (Protection of Rights) Act, 2019, there are still legal ambiguities and gaps that need to be addressed.
 - Transgender persons are not defined properly and the Act does not have any provision for self-determination of gender.
- Lack of Comprehensive Policies: The absence of comprehensive policies on gender identity, non-binary genders, and a clear legal framework for transgender rights remains a challenge.
- Implementation Gaps: The implementation of existing laws is often ineffective due to a lack of awareness, prejudice, and reluctance on the part of authorities.

What are the Different Initiatives for Transgender Persons?

- An MoU has been signed with <u>National Health Authority</u> for a specialized Ayushman Bharat TG Plus card for providing more than 50 health benefit services to transgender persons and for first-time gender re-assignment as well as cosmetic treatments have been included under the Ayushman Bharat scheme for transgender persons.
- <u>Swachh Bharat Mission(Urban)</u> has included dedicated toilets for transgender persons in their policy guidelines.
- National Portal for Transgender Persons
- Transgender Persons (Protection of Rights) Rules, 2020
- National Council for Transgender Persons
- Certificate of Identity
- Equal Opportunity Policy

What Can be Done More to Uplift the Transgender Persons?

- **Transgender-Inclusive Policies**: Legal and the law enforcement systems need to be empowered and sensitized on the issues of Transgender community.
 - Inclusive approach for Transgender must be planned and adopted by the Government and society.
 - Their grievance of being not included in policies formulation or decision making needs to be allayed and chances for their public participation should increase.
- Addressing Social Concerns: Provision of free legal aid, supportive education, and social
 entitlement must be ensured for the Transgender community at ground level as suggested by
 NALSA Judgement.
 - Separate policies related to health care must be framed and communicated in all private and public hospitals and clinics.
 - There is a need to increase awareness and inculcate sense of respect and acceptance for transgender community.
- Financial Security: Liberal credit facilities and financial assistance must be ensured to start up their career as an entrepreneur or businessman along the lines of <u>SHG-Bank Linkage</u>
 Programs.
- **Transgender in Prisons:** Awareness and documentation are two important tools to address the reforms in reference to sexual minorities, especially trans prisoners.
 - As the **Commonwealth Human Rights Initiative (CHRI)** advocates, there is a need for a gender-fluid approach for the treatment of transgender prisoners.
 - The CHRI's recommendations should be considered by the Union government to bring a
 'model policy' on the special needs of trans prisoners, through a consultative process with
 the members of the trans community, to honour the mandate of the NALSA judgement.

UPSC Civil Services Examination, Previous Year Questions (PYQs)

Prelims:

Q1. In India, Legal Services Authorities provide free legal services to which of the following type of citizens? (2020)
