

## **ADB's Commitment to India's Development**

## **Source: ET**

The <u>Asian Development Bank (ADB)</u> has made a significant commitment of USD 2.6 billion in sovereign lending (important source of financing for countries around the world) to India in 2023, focusing on various development projects and initiatives.

- ADB's portfolio in 2023 aligned its portfolio with India's priorities, focusing on structural transformation, job creation, infrastructure, green growth (renewable energy), urbanization, industry, power, and climate resilience, and inclusiveness.
- Additional funding was approved to bolster <u>India's national industrial corridor development</u>
  program, with specific support for the Visakhapatnam-Chennai Industrial Corridor.
- The bank's emphasis on sustainable development aligns with global efforts to achieve the <u>Sustainable Development Goals (SDGs)</u> and <u>eradicate poverty.</u>
- ADB is a multilateral development bank established in 1966 with a mission to foster economic growth and cooperation in the <u>Asia-Pacific Region</u>.
  - It is headquartered in Manila, Philippines, and has 68 members. It is governed by a board of governors and funded through member contributions, retained earnings from lending, and loan repayments.
