 - Used Electric Vehicle (EVs): GST council decided to raise the rate of tax to 18% from 12% on all used EV sales, just as in case of non-electric vehicles.
 - GST will apply only to the margin value (difference between purchase and selling price, adjusted for depreciation if claimed) in case of business sales. No

- Bank's Penal Charges: No GST applies to penal charges by banks and non-banking financial companies (NBFCs) for loan term violations.

 - States see ATF as part of the crude petroleum diesel basket, saying that it alone cannot be taken out.
 - 5 products i.e., crude oil, petrol, diesel, ATF and natural gas were kept out of purview of GST. The central government levies excise duty on them and states levy VAT.

 - This Cess is collected on the supply of select goods and or services to compensate the states for any revenue loss on account of implementation of GST.

 GST while salted popcorn is a namkeen and subject to 5% GST.
