

## Chhattisgarh Railway Station Renovated | Chhattisgarh | 25 Dec 2024

## Why in News?

Recently, **the 136-year-old historic Bhilai railway station** underwent renovation under the **Amrit Bharat Station Young** launched by the centre to modernise railway stations.

## **Key Points**

- Historic Bhilai Railway Station Renovated:
  - The 136-year-old Bhilai railway station in **Durg district, built in 1888,** has been renovated to **enhance passenger experience.**
  - The station now features cleanliness improvements, an air-conditioned (AC) waiting hall, and covered sheds at new platforms to protect passengers from rain and sun.
  - Additional amenities include raised ceilings for a spacious feel, improved lighting, and e-ATM machines for ticket purchases and train information.
  - Entrances have been revamped, ensuring easier access, enhanced aesthetics, and better facilities for passengers.

## **Amrit Bharat Stations Scheme**

- About:
  - The Amrit Bharat Station Scheme aims to redevelop 1309 stations nationwide.
  - The redevelopment will provide modern passenger amenities along with ensuring welldesigned traffic circulation, inter-modal integration, and signage for the guidance of passengers.
  - The Scheme was launched in February 2023 by the Ministry of Railways.
- Station-wise Plans:
  - The station buildings' designs will be inspired by <u>local culture</u>, <u>heritage</u>, <u>and</u> <u>architecture</u>.
    - For instance, the Jaipur Railway Station will feature elements resembling the **Hawa**Mahal and Amer Fort from Rajasthan.
- Integrated Approach to Urban Development:
  - The redevelopment is planned with a holistic approach to urban development, treating the stations as "City Centres."
  - This approach aims to integrate both sides of the city and create well-designed traffic circulation, inter-modal connectivity, and clear signage for passengers' guidance.
