

## Haryana Centre of Excellence | Haryana | 04 Jan 2025

## Why in News?

Recently, **the Haryana government** has decided to set up a **Centre for Urban Excellence (CUE)** for regulated urban development.

## **Key Points**

- Nodal Agency and Objective:
  - <u>The Department of Town and Country Planning (DTCP)</u> serves as the nodal agency for planned development in Haryana.
  - The CUE aims to partner with a reputed institution to **build cutting-edge knowledge**, **capacities**, and **implementation models**.
    - It also aims to foster innovation, facilitate stakeholder discourse, and enhance Haryana's urban livability index to international standards within a decade.
- Urban Growth in Haryana:
  - Haryana's urbanization level (35%) surpasses the national average (31%) as per <u>the 2011</u> <u>census</u>.
  - The state's urban population growth rate (44.25%) is higher than the national rate (32%).
  - Rapid urbanization has highlighted the need for a policy advocacy body like the CUE to address urban development challenges.
- Mission and Focus Areas:
  - The CUE's mission is to strengthen state agencies' capacities for systematic urban innovation and governance.
  - It will focus on:
    - Environmental sustainability.
    - Technology adoption.
    - <u>Resource conservation.</u>
    - A people-first approach.
    - Shaping policies and practices for balanced growth and development.
    - Activities include research, strategic advisory, technical support, training, and capacity building.
