

# Haryana Centre of Excellence

## Why in News?

Recently, **the Haryana government** has decided to set up a [Centre for Urban Excellence \(CUE\)](#) for regulated urban development.

## Key Points

- **Nodal Agency and Objective:**
  - [The Department of Town and Country Planning \(DTCP\)](#) serves as the nodal agency for planned development in Haryana.
  - The CUE aims to partner with a reputed institution to **build cutting-edge knowledge, capacities, and implementation models.**
    - It also aims to **foster innovation, facilitate stakeholder discourse, and enhance Haryana's urban livability index** to international standards within a decade.
- **Urban Growth in Haryana:**
  - Haryana's urbanization level (35%) surpasses the national average (31%) as per [the 2011 census](#).
  - The state's urban population growth rate (44.25%) is higher than the national rate (32%).
  - Rapid urbanization has highlighted the need for a policy advocacy body like the CUE to address urban development challenges.
- **Mission and Focus Areas:**
  - The CUE's mission is to strengthen state agencies' capacities for systematic urban innovation and governance.
  - It will focus on:
    - [Environmental sustainability.](#)
    - Technology adoption.
    - [Resource conservation.](#)
    - A people-first approach.
    - Shaping policies and practices for balanced growth and development.
    - Activities include research, strategic advisory, technical support, training, and capacity building.
