

UPPCS Syllabus - Mains

The Uttar Pradesh Public Service Commission (UPPCS) Mains Examination is designed to evaluate candidates' depth of knowledge across diverse subjects, analytical skills, and ability to articulate coherent answers. The syllabus is divided into various components, including language proficiency, essay writing, and General Studies Papers (I to VI), each focusing on distinct thematic areas.

A detailed breakdown of the Mains syllabus is discussed in the following content.

- **-** 0000000 00000
- 00000000
- **•** 0000 00000 000 0000000
 - \circ 000000 000 000000 000000
 - · 0000 0000
 - \circ 0000000 00 000 000000
 - \circ 000000 000 00000 000000
- 00000000 000 00000000

Essay

- There will be three sections in the question paper of the Essay. Candidates will have to select one topic from each section and they are **required to write an essay in 700 words on each topic**.
- In the three sections, the topics of the essay will be based on the following spheres:

Section	Topics
Section A	Literature and CultureSocial SpherePolitical Sphere
Section B	 Science, Environment, and Technology Economic Sphere Agriculture, Industry, and Trade
Section C	 National and International Events Natural Calamities (e.g., Landslide, Earthquake, Deluge, Drought) National Development Programmes and Projects

General Studies-I

Topic	Details
History of Indian Culture	 Salient aspects of Art Forms, Literature, and Architecture from ancient to modern times.
Modern Indian History	 Covers significant events, personalities, and issues from A.D. 1757 to A.D. 1947.
The Freedom Struggle	 Various stages and key contributions/contributors from different parts of the country.
Post-Independence History	 Consolidation and reorganization within India till 1965 A.D.
World History	 Events from the 18th century to mid-20th century, including: French Revolution (1789) Industrial Revolution World Wars Redraw of national boundaries Socialism, Nazism, Fascism, and their forms/effects on society
Indian Society and Culture	 Salient features of Indian Society and its cultural aspects.
Role of Women and Related Issues	 Role of women in society Women's organizations Population and associated issues Poverty and developmental challenges

_	
	 Urbanization, its problems, and remedies
Economic Reforms and Impact	 Liberalization, privatization, globalization (LPG) and their effects on economy, polity, and social structure.
Social Issues	 Social empowerment, communalism, regionalism, and secularism.
Natural Resource Distribution	 Water, soils, and forests in South and South-East Asia, with a focus on India Factors affecting the location of industries in India.
Physical Geography	 Earthquakes, tsunamis, volcanic activity, cyclones, ocean currents, winds, and glaciers.
Oceanic Resources of India	 The potential of India's oceanic resources.
Human Migration	 Refugee problems worldwide with a focus on India.
Indian Sub-Continental Boundaries	 Frontiers and boundaries of the Indian sub-continent.
Population and Settlements	 Types and patterns of population settlements. Urbanization, Smart Cities, and Smart Villages.

General Studies-II

Topic	Details
Indian Constitution	 Historical underpinnings, evolution, features, amendments, significant provisions, basic structure, Role of Supreme Court in the evolution of basic provisions.
Union and State Functions	 Functions and responsibilities, Issues in federal structure, devolution of powers and finances to local levels, and related challenges.
Finance Commission	 Role in Centre-State financial relations.
Separation of Powers	 Dispute redressal mechanisms, institutions, and the emergence and use of alternative dispute redressal mechanisms.
Comparison of Constitutional Schemes	 Comparison of Indian constitutional scheme with other major democratic countries.
Parliament and State Legislatures	 Structure, functioning, conduct of business, powers and privileges, and related issues.
Executive and Judiciary	 Structure, organization, functioning, Ministries and Departments, Pressure groups, associations, and their role in polity, Public Interest Litigation (PIL).

Representation of People's Act Statutory, Regulatory, and Quasi-Judicial Bodies Government Policies and Interventions Development Processes	 Salient features, appointment to various Constitutional posts, powers, functions, and responsibilities. Includes NITI Aayog, its features, and its functioning. For development in various sectors, issues arising from design and implementation, and Information Communication Technology (ICT). Role of NGOs, Self Help Groups (SHGs), 	
	donors, charities, institutional stakeholders, and other groups.	
Welfare Schemes	 Welfare schemes for vulnerable sections, their performance, mechanisms, laws, institutions, and bodies for their protection and betterment. 	
Social Sector/Services	 Issues relating to the development and management of health, education, and human resources. 	
Poverty and Hunger	 Issues and implications on the body politic. 	
Governance	 Transparency and accountability, e- governance applications, models, successes, limitations, citizen charters, and institutional measures. 	Vision
Civil Services	 Role of Civil Services in a democracy, with reference to emerging trends. 	Ars.
India and Neighbouring Countries	 India's relationship with neighbouring countries. 	
Bilateral, Regional, and Global Groupings	 Agreements involving India and/or affecting India's interests. 	
Global Policies and Politics	 Effect of policies and politics of developed and developing countries on India's interests, including the Indian diaspora. 	
International Institutions and Agencies	 Important institutions, their structure, mandate, and functioning 	
Current Affairs	 Regional, national, and international events of importance. 	

General Studies-III

ves, achievements, NITI Aayog, and of Sustainable
ment Goals
of poverty, oyment, social and inclusive
nents and structure.

Agriculture	 Major crops, types of irrigation and systems, storage, transport, marketing of produce, and e-technology in the aid of farmers. 	
Farm Subsidies and Food Security	■ Direct/indirect subsidies, minimum support prices, Public Distribution System (PDS): objectives, functioning, limitations, revamping, buffer stocks, food security, and technology missions in agriculture.	
Food Processing Industries	 Scope, significance, location, upstream and downstream requirements, and supply chain management. 	
Land Reforms	 Land reforms in India since independence. 	
Liberalization and Globalization	Effects on the economy, industrial policy changes,	
Infrastructure	 Energy, ports, roads, airports, railways, and related developments. 	re Vision
Science and Technology	 Developments and applications in daily life and national security, India's policy, and achievements in science and technology. 	
Indigenization and Technology Transfer	 Indigenization of technology, development of new technologies, dual/critical use technologies, and transfer of technology. 	
Information and Communication Technology (ICT)	 Awareness of ICT, space technology, computers, energy resources, nano- technology, microbiology, biotechnology, IPR, and digital rights. 	
Environmental Security and Ecosystems	 Conservation of wildlife, biodiversity, pollution and degradation, and environmental impact assessment. 	
Disaster Management	 Disaster as a non- traditional security challenge, mitigation, and management. 	
International Security Challenges	 Issues of nuclear proliferation, extremism causes/spread, 	

	communication networks, role of media/social networking, cyber security basics, money laundering, and human trafficking.
India's Internal Security Challenges	 Terrorism, corruption, insurgency, and organized crimes.
Security Forces and Defence Organizations	 Role, type, mandate of security forces, and higher defense organizations in India.
Agriculture and Allied Fields	 Issues in agriculture, horticulture, forestry, and animal husbandry.

General Studies-IV

Tonic	Details
Topic	Details
Ethics and Human Interface	 Essence, determinants, and consequences of ethics in human action; dimensions of ethics; ethics in private and public relationships. Lessons from the lives and teachings of great leaders, reformers, and administrators. Role of family, society, and educational institutions in inculcating values.
Attitude	 Content, structure, function, influence on thought and behavior; moral and political attitudes, social influence, and persuasion.
Aptitude and Foundational Values for Civil Service	 Integrity, impartiality, non- partisanship, objectivity, dedication to public service, empathy, tolerance, and compassion for weaker sections.
Emotional Intelligence (EI)	 Concept, dimensions, utility, and application in administration and governance.
Moral Thinkers and Philosophers	 Contributions of moral thinkers and philosophers from India and the world.
Public/Civil Service Values and Ethics in Public Administration	 Status, problems, ethical concerns and dilemmas in government and private institutions; laws, rules, regulations, and conscience as sources of ethical guidance; accountability and ethical governance; strengthening moral values in governance; ethical issues in

	international relations, funding, and corporate governance.
Probity in Governance	■ Concept of public service, philosophical basis of governance and probity, information sharing and transparency, Right to Information, codes of ethics, codes of conduct, citizen's charter, work culture, quality of service delivery, utilization of public funds, and challenges of corruption.
Case Studies	 Application of concepts to real- life ethical issues and dilemmas.

General Studies-V

Topic	Details
History, Civilization, Culture, and Ancient Cities of UP	 Overview of historical and cultural development, including ancient cities of Uttar Pradesh.
Architecture of UP	 Uttar Pradesh. Significance, maintainability, museums, archives, and archaeology in Uttar Pradesh.
Freedom Struggles	 Contributions of UP in pre- and post-1857 freedom struggles of India.
Eminent Personalities	 Eminent freedom fighters and personalities from Uttar Pradesh.
Rural, Urban, and Tribal Issues	 Social structure, festivals, fairs, music, folk dances, literature, languages/dialects, and social customs of Uttar Pradesh.
Political System of UP	 Governance, Governor, Chief Minister, Council of Ministers, State Assembly, State Council, and Center- State relations.
Public Service	 Public Service Commission, auditing, Advocate General, High Court, and its jurisdiction in Uttar Pradesh.
State Selection Criteria	 Official language, Consolidated Fund, Contingency Fund, political parties, and State Election Commission of UP.
Local Self-Government	 Urban and Panchayati Raj systems, public policy, and rights-related issues in Uttar

	Pradesh.	
Good Governance	 Eradication of corruption, Lokayukta, citizen charters, e-governance, Right to Information, and redressal policy in UP. 	
Land Reforms	 Impact of land reforms in Uttar Pradesh. 	
Security Issues in UP	 Development-extremism linkage, role of external/state/interstate actors, cyber security, money laundering, security forces, organized crimes, and border security challenges. 	
Law and Order and Civil Defense	 Management and issues related to law and civil defense in Uttar Pradesh. 	
Medical and Health Issues	 Health challenges and medical services in Uttar Pradesh. 	٩
Education System	 Overview and issues related to the state education system in Uttar Pradesh. 	١
Development Contribution	Contributions of Uttar Pradesh in the overall development of India. Regional updates and recent	n
Current Affairs of UP	 Regional updates and recent developments in Uttar Pradesh. 	ſ
Welfare Schemes	 Implementation of Jal Shakti Mission and other central welfare schemes in Uttar Pradesh. 	
NGOs in UP	 Issues, contributions, and impacts of NGOs in Uttar Pradesh. 	
Tourism in UP	 Issues and prospects for tourism development in Uttar Pradesh. 	
Innovation in UP	 Emphasis on innovation across various fields, its impact on employment, and socio-economic development in the society.
