

A Concrete Ghat to be built on the banks of the Ganges in Chandravati

Why in News?

According to information received from the media on June 7, 2023, Chandravati, the birthplace of Jain Tirthankar Chandra Mahaprabhu in Varanasi, will be developed in terms of tourism under a project approved by the Ministry of Tourism, Uttar Pradesh. A concrete Ghat will be constructed here on the banks of the Ganges.

Key Points:

- Tourism facilities will be increased here. For this, the government has approved a project worth Rs 20 crore. Along with this, a sanction of Rs 1.50 crore has also been issued as the first instalment.
- Chandravati, the birthplace of Jain Tirthankar Chandra Mahaprabhu, is a sacred place for Jain followers. Being located on the banks of the Ganges, it holds an important place in terms of tourism. For a long time, there was a demand for constructing a Concrete Ghat in this pilgrimage area.
- With the construction of Concrete Ghat in Chandravati, the tourism industry on the banks of the Ganga will get a boost. Along with this, new employment opportunities will also be available.
