

First Edition of the Ujjain Trade Fair

Why in News?

Recently, the first edition of the **Ujjain trade fair** concluded with more than **23,700 vehicles** sold in over a month making a business of over **Rs 1,200 crore**.

Key Points

- According to the **Ujjain Regional Transport Office (RTO)**, **tax rebate and revenues** on vehicles sold in the **40-day long Ujjain trade fair** stood at more than Rs 125 crore.
 - It is higher by over 20% from the tax exemptions offered in the **Gwalior mela** concluded in February 2024.
- The state government had offered a **50% discount in the lifetime motor vehicle tax rate** on the sale of non-transport vehicles and light transport vehicles in the Ujjain Vikram Trade Fair.
 - **Non-transport light motor vehicles** are for personal use like a car, while **light transport motor vehicles** are used for carrying passengers and goods.
