

India's Achievements in QS World University Rankings

Source: [TH](#)

India's higher education and research landscape has shown significant progress in the **2024 QS World University Rankings by subject**, reflecting the country's growing presence in the global academic community.

- **IIM-Ahmedabad, IIM-Bangalore, and IIM-Calcutta ranked among the top 50** institutions globally for business and management studies.
- **Jawaharlal Nehru University achieved the 20th position globally** for development studies, making it the **highest-ranked university in India**.
- The Saveetha Institute of Medical and Technical Sciences in Chennai secured the 24th position globally for dentistry studies.
- **India emerged as one of the world's most rapidly expanding research centres**, showing a 54% surge in research output from 2017 to 2022.
 - **India ranks 4th in research volume globally**, trailing behind China, the US, and the UK, but ranks 9th for research impact.
- In the broader **Asian context, India ranks 2nd for the number of universities featured** and holds the 4th position in the total number of ranked entries.
- India faces challenges in securing citations in premier global journals, with only 15% of its research cited in top-tier journals between 2017 and 2021.
