

Rapid Fire Current Affairs

World Water Day

World Water Day (WWD) is celebrated on **22nd March Every Year**. The [United Nations General Assembly](#) issued a resolution in 1993 declaring every year March 22 as World Day for Water. The **theme for WWD 2023 is 'Accelerating the change to solve the water and sanitation crisis'**, emphasizing the necessity of taking stern action to address the global water crisis.

The main objective of the day is to aware and inspire people to sustainably manage freshwater resources and learn more about water-related issues like water pollution, water scarcity, inadequate water, and lack of sanitation, and take appropriate steps to make a difference. According to the [United Nations](#), the idea behind celebrating the day is to "support the achievement of [sustainable development goal \(SDG\) 6: water and sanitation for all by 2030](#)."

INS Androth

The **INS Androth**, second in a series of eight **Anti-Submarine Warfare Shallow Water Craft (ASW SWC)**, was launched in Kolkata. INS Androth draws its name from the largest and longest island known as **Androth Island**, in the [Lakshadweep archipelago](#). It was built by **Garden Reach Shipbuilders and Engineers (GRSE)** in Kolkata.

INS Androth propelled by **three diesel-driven water jets**, this ship can attain a maximum speed of 25 knots. Their primary role of INS Androth is to conduct **anti-submarine operations in coastal waters, low intensity maritime operations** and mine laying operations. These ships are also capable of **full-scale sub surface surveillance of coastal waters and various surface platforms and coordinated ASW operations with aircraft**. These ships may be smaller in size but also carry **lightweight torpedoes, ASW rockets and mines, a close-in weapon system (with a 30 mm gun) and 16.7 mm stabilized remote-controlled guns**.

World Down Syndrome Day

Every year since 2006, **March 21** is observed as the **World Down Syndrome Day (WDS)**. To raise awareness about Down syndrome and advocate for the rights, inclusion, and well-being of people with the condition. Down syndrome is a genetic condition that affects people of all races, backgrounds and ethnicity. The day was officially recognized by the [United Nations General Assembly](#) in 2011. The **Theme for World Down Syndrome Day 2023 is "With Us Not for Us"**.

Down syndrome happens when there is an **extra copy of the 21st chromosome**, which leads to physical and intellectual disabilities. People with Down syndrome generally have distinct facial features and have several health complications such as **heart defects, hearing and vision problems, and thyroid conditions**. The date was selected because Down syndrome is caused by the presence of a **third copy of the 21st chromosome, and 21/3 (March 21st) represents this genetic condition**

Substance Abuse in India

Recently, in concert with the **Home Ministry's** effort to prosecute drug providers and traffickers, the **Social Justice Ministry** is waging a campaign to diminish drug demand by portraying addicts as victims. According to [The Mental Health Care Act, 2017](#) substance abuse disorders are included in the definition of mental illness in India. The Union government's measures to address this issue come under the umbrella of the [National Action Plan for Drug Demand Reduction \(NAPDDR\)](#). This involves running the [Nasha Mukh Bharat Abhiyan](#) in 372 vulnerable districts, 340 integrated rehabilitation centers for addicts, 48 community-based peer-led intervention centers, and 71 outreach and drop-in centers.
