How are India-Kuwait Relations?

- **Historical Ties:** India and Kuwait share a long-standing relationship, dating back to **pre-oil times** when **maritime trade** formed the foundation of Kuwait's economy.
 - The **Indian Rupee was once the legal tender in Kuwait until 1961**, emphasizing their strong economic ties.
 - Historically, Kuwait traded goods like **dates, pearls, and Arabian horses** with India. However, after the **discovery of oil**, Kuwait's economy shifted, **with oil now contributing to about 94%** of its state income.
- **Economic Partnership:** Kuwait is one of India's top trading partners, with bilateral trade valued at **USD 10.47 billion** in 2023-24.
 - **Kuwait is India's 6th largest crude oil supplier**, fulfilling **3% of the country's energy needs**.

- Indian exports to Kuwait surpassed **USD 2 billion for the first time**, reflecting growing trade ties.
- **Kuwait Investment Authority's** investments in India exceed **USD 10 billion**.
- **Indian Diaspora in Kuwait:** With a population of around 1 million, the Indian community is the **largest expatriate group in Kuwait**.
 - The community plays a vital role in the Kuwaiti economy, particularly in sectors like healthcare, engineering, retail, and business.

What is the Importance of Kuwait in India's Foreign Policy in West Asia?

- **Economic Contributions:** The remittances from Indian expatriates in Kuwait inject billions of dollars into the Indian economy, which is crucial for **economic stability and growth**.
- **Economic Collaboration: Kuwait's Vision 2035**, aimed at diversifying its economy **beyond oil**, presents opportunities for India to collaborate in emerging sectors such as renewable energy, infrastructure, and technology.
 - This aligns with India's development goals, particularly the [Viksit Bharat 2047](#).
 - Additionally, the energy security from Kuwait is vital for India's industrial **growth and domestic needs**.
- **Geopolitical Influence:** Kuwait's location in the Middle East and its role in the **GCC** make it a key player in regional politics.
 - India's engagement with Kuwait helps it maintain a balanced and influential presence in West Asia
- **Labour and Skill Development:** Kuwait's demand for a **skilled workforce, as part of its Vision 2035**, aligns with India's strengths in skill development, offering a chance for **more Indian workers to contribute to Kuwait's growth** in various sectors, such as healthcare, technology, and infrastructure.

What is the Gulf Cooperation Council?

- **About:** The GCC, established in 1981, is a regional political and economic organization consisting of six Arab states: **Bahrain, Kuwait, Oman, Qatar, Saudi Arabia, and United Arab Emirates**.
 - The GCC was established in response to regional tensions, notably the [Iranian Revolution \(1979\)](#) and the [Iraq-Iran War \(1980-1988\)](#).
 - It aims to promote unity and address shared challenges in the Gulf region.
- **Organizational Structure:** The **Supreme Council** is the **highest decision-making** body of the GCC, consisting of heads of state from each member country.
 - The **presidency of the Supreme Council rotates annually** based on the alphabetical order of member countries.
- **Headquarters:** Riyadh, Saudi Arabia.
- **India's Relations with GCC:** The GCC is a key trading and investment partner for India, with significant investments from the UAE and Saudi Arabia.
 - In FY 2023-24, India-GCC bilateral trade stood at **USD 161.59 billion**. India's exports were USD 56.3 billion and India's imports were USD 105.3 billion.
 - The GCC remains a key market for India's exports, including oil, and hosts a large Indian workforce.
 - The **UAE ranks as India's 3rd largest trading partner** and **2nd largest export destination**.
 - Around **8.9 million Indian expatriates in the GCC** contribute significantly to **remittances**, which, despite a recent decline, remain a major income source for India.
