

Eklavya Platform

Source: PIB

Recently, the **Ministry of Defence** launched **Eklavya**, an online learning platform for the Indian Army.

- **Aim:** To improve the **professional education and training** of Indian Army officers under the **Decade of Transformation (2023-2032)** initiative and the 2024 theme, [Year of Technology Absorption](#).
- **Developed By:** Bhaskaracharya National Institute of Space Applications and Geoinformatics (**BISAG-N**), **Gandhinagar**.
- **Content:** A total of **96 courses by 17 Category 'A' Training Establishments** of the Indian Army have been hosted on the platform.
- **Three Categories of Courses:**
 - **Pre-course Preparatory Capsules:** Shift basic **offline** physical courses to the **online** courses.
 - **Appointment/Assignment Related Courses:** Like **information warfare, defence land management, financial planning, discipline and vigilance works** etc.
 - **Professional Development Suite:** Courses on **Strategy, Operational Art, Leadership, Organisational Behaviour, Emerging Technology** etc.
- **Centralised Knowledge Hub:** Eklavya features a searchable **"Knowledge Highway"** where **journals, research papers, articles**, and more are accessible under one platform.
