## Henley Passport Index 2025

### ▪ About:

- The Henley Passport Index **ranks 199 global passports** (covers 227 travel destinations) based on the **number of destinations their holders can travel to without a visa**, with data sourced from the **International Air Transport Association (IATA)**.
- It is compiled and published by **Henley & Partners**, a global citizenship and residence advisory firm.

### ▪ Key Highlights:

- Top Rankings:** **Singapore** (195 destinations) leads, followed by **Japan** (193). Several **EU countries and South Korea** share 3rd place (192 destinations).
- Falling Rankings:** The US (2<sup>nd</sup> to 9<sup>th</sup>), the UK (1st to 5th).
- Bottom Countries:** **Pakistan and Yemen** (shared the 103rd position) followed by **Iraq, Syria** and **Afghanistan**.

- As per UK-based online platform "**Compare the Market,**" **2024 data:**
  - **Most Expensive Passports: Mexico, Australia,** and the **USA**
  - **Cheapest Passports: UAE, India,** and **Hungary.**
  - **India's passport** stands out for offering the best "**cost per year**" **value,** making it highly economical compared to other countries.
