

Skill Development Policy 2025 | Rajasthan | 15 Mar 2025

Why in News?

On 9th March 2025, the Rajasthan Cabinet approved **the Rajasthan Skill Development Policy-2025** with the **aim of promoting skill development of youth and employment generation in the state**.

Key Points

- **About the Policy:**
 - The aim of this policy is to **train the youth according to modern industrial needs** and provide them **new employment opportunities**.
 - It seeks to accelerate industrial growth while preparing the workforce for global competition.
- **Initiatives and features:**
 - **Modernisation of Industrial Training Institutes (ITI):**
 - The state government will **update the Industrial Training Institutes** as per the latest requirements of the industry.
 - This will include **new curriculum, training modules and on-the-job training, giving the youth practical experience**.
 - **Establishment of Model Career Centres:**
 - Model Career Centres will be established in all the divisional headquarters of the state, which will help connect the youth with **career counselling, internships and employment opportunities**.
 - These centres will act as an important link between students and industries.
 - **Training in modern technologies:**
 - Under this policy, youth will be trained in modern technologies like **Automation, Artificial Intelligence (AI), Machine Learning, Smart Manufacturing and Cyber Security**.
 - **Local Industrial Cluster Training Centres:**
 - Local training centres will be set up in various industrial areas of the state to **train workers according to the specific industrial requirements**.
 - This will **provide skilled human resources to local industries** and also increase employment opportunities.
 - **Reskilling and Upskilling:**
 - The policy will focus on **upskilling and reskilling of workers and employees** to enable them to adapt to the changing industrial environment and keep pace with new technological trends.

Pradhan Mantri Kaushal Vikas Yojana (PMKVY)

- **About:**
 - Skill India Mission was **launched by the government in the year 2015**, under which **Pradhan Mantri Kaushal Vikas Yojana (PMKVY)** was introduced.
- **Objective:**
 - It **aims to train more than 40 crore people in India** in various skills by the year 2022 and to provide vocational training and certification to Indian youth for better livelihood and respect in the society.

- PMKVY is implemented by **National Skill Development Corporation (NSDC)** under the guidance of the **Ministry of Skill Development and Entrepreneurship (MSDE)** .
