Press Release

Date : 16 August, 2024

Expression of gratitude to the four families

On August 2 (Friday), we had expressed our intention through a press release that we will try to provide financial assistance of ₹10 lakh (each) to the bereaved families of the four students (Nilesh Rai, Shreya Yadav, Tanya Soni and Nivin Dalvin) who died untimely in two accidents that took place at different places/institutions in Old Rajendra Nagar last month.

Immediately after issuing the release, our team, with the help of the Hon'ble Lieutenant Governor's Office and Delhi Police, collected the contact details of the four families and talked to them. Every possible effort was made to ensure that their self-respect is not hurt and they agree to this proposal. This process took some time but we are satisfied that finally all the four families accepted our humble proposal and this noble work has been completed from our side.

Though these children were not associated with our institution, we sincerely believe that all institutions have a collective responsibility in such tragedies. We express our deep gratitude to the four families for their generosity in accepting our contribution.

With deep gratitude,
Team Drishti
